

“EMAUX” E-LUMEN-Retro Fit Series LED Underwater Lights (Wall Mount Type)

สามารถตัดสายไฟลงกำแพงแล้วต่อกับรุ่นนี้ได้โดยไม่ต้องเดินสายไฟใหม่

The latest Retrofit light technology from Emaux, replacing halogen lights or upgrading existing LED lights with our innovative unique Junction Port of Waterproofing

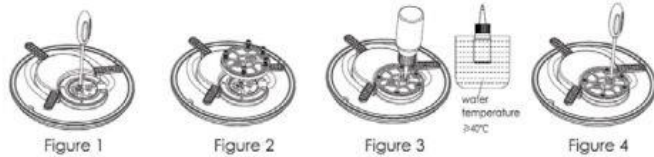

- Simple direct replacement by using unique grease for waterproofing
- Replaces lights from most major brand
- Modern Surface Mount Design
- Unique Invention Patent Junction Port for wiring
- Unique waterproofing method with lanolin

Retro Light Assembly

- 1) Push light cable through the silicone gel ring and connect wires and tighten screws. (Figure 1)
- 2) Position the silicon gel ring on the light and place bottom cover and tighten 5 screws. (Figure 2)
- 3) Place lanolin bottle in boiling water to dissolve to liquid and fill through 2 holes on cover plate. (Figure 3)
- 4) When filled with Lanolin, tighten remaining 2 screws and leave to set whilst installing the retro bracket to the pool wall. When bracket installed fix the pool light to bracket. (Figure 4)

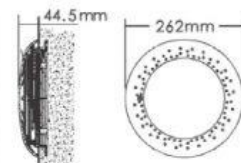

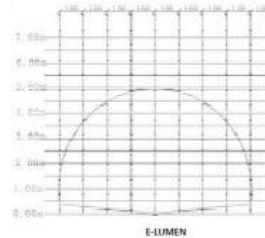

IP68 CE RoHS

Colour Options:

1 White	2 Green
3 Blue	4 Green+Blue
5 Red+Green	6 Red+Blue
7 Mode A: Blue+ Gradual Red	8 Mode B: Green+Gradual Red
9 Mode C: Blue+Gradual Green	10 Mode D: Blue+Gradual Red
11 Mode E: RGB Colour Sequence: Red>Green>Blue	12 Auto Colour Change
13 Mode F: Four Colour Sequence: Red>Green>Blue>Purple	14 Rapid Auto Colour Change

Code	Model	Watt/ Voltage	LED	LUX	Colour
21100510390	E-Lumen-Retrofit-252-RGB	20W/12V	252	166	Multi Colour (14 Modes)
