

Characteristics:

- Operation pressure: 0.06 bar
- Operation temperature max. 60C
- Corrosion – resistant
- Long life-cycling
- Maintenance free
- Compact design
- Radial installation and dismantling
- Quick and precise opening and closure
- Low noise
- V4A spring

Cone Spring Check Valves

Code	Model	Description	Size (Inches)
22101600010	126404	Cone Check Valve S6 DN40 PVC gray PVC-U solvent socket ends	1.5"
22101600025	126405		2"
