

**POOL SIZE & DEPTH :**  $\leq 150\text{m}^2$  |  $\leq 3\text{m}$   
**RUNTIME :** 4 Hours  
**SUCTION RATE :** 320 L/min  
**FILTER :** 4L, 180 $\mu\text{m}$  + 25 $\mu\text{m}$   
**CONNECTION :** Float cable

| Product Information               | Value                                                                                                  |
|-----------------------------------|--------------------------------------------------------------------------------------------------------|
| Dimensions                        | 353×394×201 mm                                                                                         |
| Weight                            | 6 kg ( $\pm 0.1$ )                                                                                     |
| Pool depth                        | 0.3–3.6 m (1–12 ft)                                                                                    |
| Pool area                         | $\leq 180\text{ m}^2$                                                                                  |
| Maximum pool slope                | 50°                                                                                                    |
| Storage temperature               | -20°C – 45°C, RH $\leq$ 75%                                                                            |
| Cleaning Module                   | Value                                                                                                  |
| Suction flow                      | 320 L/min (5070 GPH)                                                                                   |
| Cleaning power                    | Max. 100 W                                                                                             |
| Filter basket capacity            | 4 L                                                                                                    |
| Filtration accuracy               | 180 $\mu\text{m}$ + 25 $\mu\text{m}$ (HEPA)                                                            |
| Pool coverage                     | Floor, Walls and Waterline, Steps, Sun Ledge, Corners, Safety Ledge                                    |
| Cleaning modes                    | Floor, Waterline, Full Cleaning, Weekly Scheduled Cleaning                                             |
| Floor cleaning speed              | 0.25 m/s (15 m/min)                                                                                    |
| Smart Features                    | Value                                                                                                  |
| Path planning                     | AdaptiveNav Path Planning 4.0                                                                          |
| Filter Basket Full Alert          | Supported                                                                                              |
| Adaptive suction                  | Supported                                                                                              |
| Radar Sensor                      | 1 (front)                                                                                              |
| Battery                           | Value                                                                                                  |
| Battery capacity                  | 7800 mAh (144.3 Wh)                                                                                    |
| Rated voltage                     | 18.25 V                                                                                                |
| Maximum floor runtime             | 4 h (Floor Mode)                                                                                       |
| Charging time                     | 5–6 h                                                                                                  |
| Charging power                    | 42 W                                                                                                   |
| App and Remote Control (optional) | Value                                                                                                  |
| App support                       | Supported                                                                                              |
| Connectivity                      | Bluetooth + Wi-Fi                                                                                      |
| OTA update                        | Supported                                                                                              |
| App Manual Mode                   | Supported                                                                                              |
| Remote control (optional)         | Sold separately; operating temperature 0°C to 40°C; control range up to 30 m; battery life $\geq$ 50 h |
